Mutual Agreement Procedure

1. Where a person considers that the actions of one or both of the Contracting States result or will result for him in taxation not in accordance with the provisions of this Agreement, he may, irrespective of the remedies provided by the domestic law of those Contracting States, present his case to the competent authority of the Contracting State of which he is a resident or, if his case comes under paragraph 1 of

Article 24, to that of the Contracting State of which he is a national. The case must be presented within 3 years from the first notification of the action resulting in taxation not in accordance with the provisions of the Agreement.

2. The competent authority shall endeavour, if the objection appears to it to be justified and if it is not itself able to arrive at a satisfactory solution, to resolve the case by mutual agreement with the competent authority of the other Contracting State, with a view to the avoidance of taxation which is not in accordance with the Agreement. Any agreement reached shall be implemented notwithstanding any time limits in the domestic law of the Contracting States.
3. The competent authorities of the Contracting States shall endeavour to resolve by mutual agreement any difficulties or doubts arising as to the interpretation or application of the Agreement. They may also consult together for the elimination of double taxation in cases not provided for in the Agreement.
4. The competent authorities of the Contracting States may communicate with each other directly for the purpose of reaching an agreement in the sense of the preceding paragraphs.

Article 26

Such persons or authorities shall use the information only for such purposes. They may disclose the information in public court proceedings or in judicial decisions.
2. In no case shall the provisions of paragraphs 1 and 2 be construed so as to impose on a Contracting State the obligation:
 - (a) to carry out administrative measures at variance with the laws and administrative practice of that or of the other Contracting State;
 - (b) to supply information which is not obtainable under the laws or in the normal course of the administration of that or of the other Contracting State;

At the moment of signing this Agreement for the avoidance of double taxation and the prevention of fiscal evasion with respect to taxes on income, this day concluded between the Government of the State of Qatar and the Government of the Republic of Singapore, the undersigned have agreed that the following provisions shall form an integral part of this Agreement:

1. With reference to Article 5 (Permanent Establishment)

In relation to the application of paragraph 2(h) and paragraph 3(b) of Article 5 (Permanent Establishment), with respect to furnishing of services relating to exploration the period test in paragraph 3(b) shall be applicable to the service provider to determine if it has a permanent establishment in that Contracting State unless the service provider is already determined to have a permanent establishment under the principles of paragraph 1 of this Article.

- b) Nothing in Article 24 shall be construed as obliging a Contracting State to grant to nationals of the other Contracting State those personal allowances, reliefs and reductions for tax purposes which it grants to its own nationals who are not residents of that Contracting State or to such other persons as may be specified in the taxation laws of that Contracting State.
- c) The granting by a Contracting State of tax incentives to its nationals designed to promote economic or social development in accordance with its national policy and criteria shall not be construed as discrimination under Article 24.
